**PRELIMINARY AMENDMENT**

Sir:

Please enter the following amendments prior to examination of the continued prosecution application (CPA) of prior application serial number 09/426,931, filed October 22, 1999:

**IN THE CLAIMS:**

Kindly amend claim 29 as follows:

29. A test strip comprising a spreading material, the spreading material comprising a porous flat structure impregnated with a wetting agent, wherein the wetting agent is N-oleoyl-sarcosinate.

Kindly amend claims 35-38 by replacing the first occurrence of "spreading material" in line 1 of each claim with "test strip".

Kindly amend claim 39 as follows:

39. A process for producing a test strip comprising a spreading material, comprising the steps of providing a test strip comprising a porous flat structure and impregnating the porous
